

1 Take a Walk/Take a Photo

1 - Read the questionnaire and think about your answers.

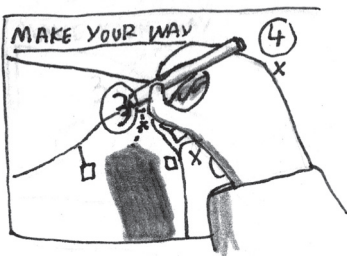

2 - When going out for a walk or cycle, take a photo that answers each of the questions.

To fill in this questionnaire you need to identify places around your community to answer each question. For each question complete the sentence depending on the place of your choice.

3 - You can mark the places on the map.

Indicate on the map where you've taken the pictures using the question number.
